Conditions of Sale

All bids to be per lot as numbered in the catalogue. The authenticity of the coins is guaranteed by the cataloguers; the description of each item is made with great care. Additional information will be furnished upon request. All claims must be made within two weeks and no lots are returnable except by agreement of one of the cataloguers.

Bidders must have established credit with the cataloguers or send a deposit equal to 25 % of their bids. Such deposits will be promptly refunded if bids are not successful.

No commission will be charged, but postage and insurance will be added to invoice. Remittance must be made promptly after receipt of invoice. A list of prices realized will be sent free of charge to all bidders.

Prices in brackets are our estimates. The lots may be sold higher or lower according to the bids received. The cataloguers suggest to submit liberal bids. They endeavour to buy for you at the lowest possible price, which means you will get the lot at the usual advance over the next lower bid.

Unlimited bids can **not** be accepted any more. A collector must place his highest bid for any lot which is urgently wanted. However, the highest bid will be used only to such an extent, as the next highest bid warrants it; as explained in the previous paragraphs.

If a bidder wants to limit his purchases to a certain amount, he may say so, indicating first and second choice. Such bids will be executed with care and as the situation warrants.

By sending in a bidsheet, the bidder agrees to the above stated conditions of sale.

The coins are on exhibit from Nov. 14th until Nov. 17th at 101 West 55th St., Apt. 10F, New York 19, N. Y., or before on appointment.

LOTS PRECEDED BY AN ASTERISK (*) ARE ILLUSTRATED.
